Fixed price to solo is a great way to learn to fly and offers significant savings compared with the traditional route of paying as you go. As with all great offers though, we do need to have some basic rules in order to maintain a mutually fair arrangement for us all. These rules are as follows in the terms and conditions-

Terms and Conditions

- After 1 year, if the member has not achieved solo standard, the scheme closes and the member continues his/her training at normal club rates. Choosing not to fly solo once the standard is achieved, terminates the free flying arrangement, but not the membership.
- As the scheme is intended to be used for training flights, all flights must be of an instructional nature, and flown with a BGA full-rated or assistant-rated instructor at Oxford Gliding Club
- Maximum 100 launches
- Flights are limited to the club's K13 training gliders.
- Weight restrictions and medical standards apply.
- Fee is non refundable and non transferable
- Limited to new members only
- The club reserves the right to refund the payment and terminate the arrangement at any time.
